THE FREEMAN
Volume 39
January-December 1989

Prepared by
Bettina Bien Greaves

NOTE: In page references, the number preceding the colon designates the month, the numbers following refer to pages. All articles have at least three entries—author, title, and subject—except in a few cases when the title and the appropriate subject coincide. The short "Perspective" items are listed alphabetically by title under that category and also cross-indexed to author. Books reviewed are listed alphabetically by their author(s) on page 503; the names of their reviewers are included in the master index.
